(2) The commissioner shall not issue a motor vehicle operator's license under this section to any applicant who has been convicted of any felony in Connecticut.

If such applicant has not been convicted of any such felony, the commissioner shall mail the applicant an adult instruction permit or youth instruction permit. The commissioner shall not refund the application fee of any applicant who fails a knowledge test or has been convicted of any such felony.

(e) No motor vehicle operator's license issued pursuant to this section shall be used as identification for voting purposes.

(f) The commissioner shall place a restriction on each motor vehicle operator's license issued pursuant to this section, indicating that such motor vehicle operator's license is "for driving purposes only".

(g) The commissioner may adopt regulations in accordance with chapter 54 of the general statutes to implement the provisions of this section.

Sec. 2. Subsection (e) of section 14-36 of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2015):

(e) (1) No motor vehicle operator's license shall be issued until (A) the applicant signs and files with the commissioner an application under oath, or made subject to penalties for false statement in accordance with section 53a-157b, and (B) the commissioner is satisfied that the applicant is sixteen years of age or older and is a suitable person to receive the license. (2) [An] Except any applicant described in section 1 of this act, an applicant for a new motor vehicle operator's license shall, in the discretion of the commissioner, file, with the application, a copy of such applicant's birth certificate or other prima facie evidence of date of birth and evidence of identity. Substitute House Bill No. 6495

shall require the applicant to demonstrate personally to the commissioner, a deputy or a motor vehicle inspector or an agent of the commissioner, in such manner as the commissioner directs, that the applicant is a proper person to operate motor vehicles of the class for which such applicant has applied, has sufficient knowledge of the mechanism of the motor vehicles to ensure their safe operation by him or her and has satisfactory knowledge of the laws concerning motor vehicles and the rules of the road. The knowledge test of an applicant for a class D motor vehicle operator's license may be administered in such form as the commissioner deems appropriate, including audio, electronic or written testing. Such knowledge test shall be administered in English, Spanish or any language spoken at home by at least one per cent of the state's population, according to statistics prepared by the United States Census Bureau, based on the most recent decennial census. If any such applicant has held a license from a state, territory or possession of the United States where a similar examination is required, or if any such applicant is a person honorably separated from the United States armed forces who applies within two years following the separation and who, prior to the separation, held a military operator's license for motor vehicles of the same class as that for which such applicant has applied, the commissioner may waive part or all of the examination. When the commissioner is satisfied as to the ability and competency of any applicant, the commissioner may issue to such applicant a license, either unlimited or containing such limitations as the commissioner deems advisable, and specifying the class of motor vehicles which the licensee is eligible to operate. (4) If any applicant or operator license holder has any health problem which might affect such person's ability to operate a motor vehicle safely, the commissioner may require the applicant or license holder to demonstrate personally or otherwise establish that, notwithstanding such problem, such applicant or license holder is a proper person to operate a motor vehicle, and the commissioner may further require a certificate of such applicant's condition, signed by a medical authority.
designated by the commissioner, which certificate shall in all cases be treated as confidential by the commissioner. A license, containing such limitation as the commissioner deems advisable, may be issued or renewed in any case, but nothing in this section shall be construed to prevent the commissioner from refusing a license, either limited or unlimited, to any person or suspending a license of a person whom the commissioner determines to be incapable of safely operating a motor vehicle. Consistent with budgetary allotments, each motor vehicle operator's license issued to or renewed by a deaf or hearing impaired person shall, upon the request of such person, indicate such impairment. Such person shall submit a certificate stating such impairment, in such form as the commissioner may require and signed by a licensed health care practitioner. (5) The issuance of a motor vehicle operator's license to any applicant who is the holder of a license issued by another state shall be subject to the provisions of sections 14-111c and 14-111k.
