CHAPTER............

AN ACT relating to motor vehicles; providing for the issuance of a driver authorization card; establishing the contents of an application for a driver authorization card and certain instruction permits; establishing the information that must be contained on a driver authorization card and similarly obtained instruction permits; providing for the expiration and renewal of a driver authorization card; providing that certain provisions of state law which apply to drivers’ licenses also apply to a driver authorization card and similarly obtained instruction permits; making an appropriation; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the Department of Motor Vehicles issues multiple licenses that confer to a person the privilege of operating a vehicle, including a driver’s license, instruction permit, commercial driver’s license and certain limited or restricted driver’s licenses or instruction permits. (NRS 483.2521, 483.267, 483.270, 483.280, 483.340, 483.360, 483.908) The federal Real ID Act of 2005 requires any driver’s license or identification card issued by a state to meet certain standards to be used for federal identification or other official purposes and allows for a state to issue driver’s licenses or identification cards that do not meet such standards if such licenses or cards are of a unique design and clearly state that they may not be used for federal identification or other official purposes. (Real ID Act of 2005 § 202, Pub. Law No. 109-13, 119 Stat. 302, 312-15, 49 U.S.C. 30301 note)

Section 5 of this bill sets forth requirements for applications for driver authorization cards and alternative requirements for applications for instruction permits. Section 5 establishes the information that must be included in such applications, including, without limitation, documents that must be submitted to prove the applicant’s name, age and residence in this State. Section 5 allows an applicant to present various documents, including, without limitation, a birth certificate or passport issued by a foreign government, as proof of his or her name and age. Section 5 provides that a driver authorization card expires 1 year after issuance or renewal. Section 5 requires that a driver authorization card and an instruction permit obtained in accordance with section 5 be of the same design as a driver’s license with only the minimum number of changes necessary to comply with the federal Real ID Act of 2005. Section 5 provides that any provision of title 43 of NRS that applies to a driver’s license is deemed also to apply to a driver authorization card and an instruction permit obtained in accordance with section 5.
Section 1 of this bill prohibits the Director of the Department from releasing any information from the files and records of the Department relating to legal presence to any person or federal, state or local governmental entity for any purpose relating to the enforcement of immigration laws.

Section 12 of this bill makes an appropriation from the State Highway Fund to the Department of Motor Vehicles to pay the costs of developing and issuing driver authorization cards and similarly obtained instruction permits.
